Door Mr. Jurvins

I would like to acknowledge on behalf of the Director, Control Intelligence Agency, the copy of your letter of October 3 to Mr. Balth E. Caser.

If the "Maritime Deporter" of September 15 is quoting Mr. Casey occurately then his estimate of the growth of the Sussian merchant Clert in 1999 does seem tentemally high. We do not know, however, if Mr. Casey's estimate includes such categories as meritims tugs, vessels for the fishing fleet and other small vessels. Our estimates of the not additions in 1999 of moritime vessels of 1,000 GRT or over would be of the magnitude indicated by you to Mr. Casey.

You will be interested in knowing that although the Russians are currently building whaling factory ships of around \$5,000 toos displacement, they are not being bailt in Leningrad. The ship was a tumber of the Pekin close which has observed by a dispisement of 40,000 tous and a capacity of 30,460 decembers MAR.

Sincerely.

Action Assistant
